

# Hey Jealousy

Kisschasy

Tell me if you think it'd be alright  
If i could just crash here tonight  
You can see i'm in no shape for driving  
Anyway i've got no place to go

And you know that it might not be that bad  
You're were the best i've ever had  
If i hadn't blown the whole thing years ago  
I might not be alone

Tomorrow we can drive around this town  
Let the cops chase us around  
The past is gone but something might be found  
To take it's place

Hey Jealousy

And you can trust me not to think  
And not to sleep around  
And if you don't expect too much from me  
You might not be let down

Coz all i really want is to be with you  
Feeling like I matter too  
If i hadn't blown the whole thing years ago  
I might be here with you

Tomorrow we can drive around this town  
Let the cops chase us around  
The past is gone but something might be found  
To take it's place

Hey Jealousy

Hey Jealousy  
Yeah she took my heart  
There's only one thing i couldn't start
