

Freaky

Kissin' Dynamite

Excitement overdose
Panic coast to coast
We bring a wave of madness
We bring a wave of row
Let your head explode

(Chorus)

Hey out there - You better be aware
Here comes psycho - scare
Are you ready for the shock?

Let's get freaky - freaky, freaky, freaky
Let's get freaky - we go insane
Let's get freaky - freaky, freaky, freaky
Let's get freaky - give up your brain

Forget about the rules
The risk is our fuel
We bring a wave of madness
Let chaos be your tool
Burning down the school

(Chorus)

Hey out there - You better be aware
Here comes psycho - scare
Are you ready for the shock?

Let's get freaky - freaky, freaky, freaky
Let's get freaky - we go insane
Let's get freaky - freaky, freaky, freaky
Let's get freaky - give up your brain

(2x)

Let's Freaky (4x)

Let's get freaky - freaky, freaky, freaky
Let's get freaky - we go insane
Let's get freaky - freaky, freaky, freaky
Let's get freaky - give up your brain

(2x)
