

# I Will Be King

Kissin' Dynamite

Hereby I'm declaring  
You're my chosen one  
Satisfy your highness  
Hey, all along

You may be my jester  
Amuse me every day  
Woe you bore and pester  
I'll hang you straightaway

I will be king  
I will be king  
I will be king  
I'll rule forever  
You're gonna be  
royal private property

I will be king  
I will be king  
I will be king  
I'll rule forever  
You're gonna be  
just a grateful  
slave for me

Hail Hail Hail to the king!  
Hail Hail Hail to the king!  
Hail Hail Hail to the king!

Hope your dungeon's comfy  
Let out just to fight

Beasts are waiting hungry  
Hey, what a sight

Sleazebag, please me faster  
Blue blood flows so well  
I'm your puppet master  
My heaven is your hell

I will be king  
I will be king  
I will be king  
I'll rule forever  
You're gonna be  
royal private property

I will be king  
I will be king  
I will be king  
I'll rule forever  
You're gonna be  
just a grateful  
slave for me

I will be king  
I will be king

I will be king  
I'll rule forever  
You're gonna be  
royal private property

I will be king  
I will be king  
I will be king  
I'll rule forever  
You're gonna be  
just a grateful  
slave for me

Hail Hail Hail to the king!  
Hail Hail Hail to the king!  
Hail Hail Hail to the king!

I will be king  
I will be king  
I will be king  
I'll rule forever  
You're gonna be  
royal private property

I will be king  
I will be king  
I will be king  
I'll rule forever  
You're gonna be  
just a grateful  
slave for me
