Kissin' Dynamite

I'm a moola junkie  
Bucks run through my veins  
Daily cash infusions  
Dough is my cocaine

I'm a crook, I'm a fraud, I'm a cheater  
In my tinted high end limousine  
All the greed and the risk and the gamble  
I'm a money made machine

The demon sleeps  
In you and me  
But he won't do  
Forever

Do you like money, sex and power  
The everlasting law  
Money, sex and power  
Gimme more, gimme more, gimme more

Do you like money, sex and power  
The never ending game  
Money, sex and power  
I'm insane, I'm insane, I'm insane

I'm a horny engine  
Powered by the drive  
Greed for satisfaction's  
Keeping me alive

All the whores and the sluts and the bitches  
With their chambers of twilight and sin  
All the lust and the zest and temptation  
Very well then, I give in

The demon sleeps  
In you and me  
But he won't do  
Forever

Do you like money, sex and power  
The everlasting law  
Money, sex and power  
Gimme more, gimme more, gimme more

Do you like money, sex and power  
The never ending game  
Money, sex and power  
I'm insane, I'm insane, I'm insane

The demon sleeps  
In you and me  
But he won't do

Forever

Do you like money, sex and power  
The everlasting law  
Money, sex and power  
Gimme more, gimme more, gimme more

Do you like money, sex and power  
The never ending game  
Money, sex and power  
I'm insane, I'm insane, I'm insane
