

Steel of Swabia

Kissin' Dynamite

Rock On! Take Off! Hey, buddy! Shout to the top!
Come...on the stage, keep rollin'! We'll never stop
You're dynamite, you're thunderbolt, you're rollin' straight aw
ay

Rock On! Take Off! Hey, buddy! Shout to the top!
We know we'll never be, We'll never be the same
We feel your energy - It is risin' like a flame

This is steel, Steel of Swabia
We're gonna rock your world! With steel of Swabia
This is steel, Steel of Swabia
We're gonna rock the world! With steel of Swabia

Rock On! You got it, buddy! Shout to the top!
You keep the moshpit rollin'! Don't wanna stop.
You're the fuel and you're the spark You're rollin' straight aw
ay

Rock On! Take off! Hey buddy! Shout to the top!
We know we'll never be, we'll never be the same
You are the energy
And you feed the swabian flame

This is steel, Steel of Swabia
We're gonna rock your world! With steel of Swabia
This is steel, Steel of Swabia
We're gonna rock the world! With steel of Swabia

This is steel, Steel of Swabia
We're gonna rock your world! With steel of Swabia
This is steel, Steel of Swabia
We're gonna rock the world! With steel of Swabia
