

A glance over your own shoulder  
A vow that today will stand out  
Caged in a routine  
Intent unknown  
The element of surprise  
Impact undetermined but vast  
Mark me...  
Mark me...  
Mark me...  
Brandishing a cold loaded smile  
Brandishing a cold loaded smile  
Brandishing a cold loaded smile  
Brandishing a cold loaded smile  
Simplicity, subtlety, discordance fate and allegory  
Everything has it's purpose and you will suffer for what you've  
done
