

In this darkness  
Troubled waters  
Lies a flicker  
Of hopes fire

Come to your senses  
Wager a risk  
I won't let go  
Waiting for this  
It's wonderful  
Reality  
I watch as  
This golden bird flies free

In this ash-vault  
A rose garden  
These walls will never  
See me just to  
Save me  
Save me  
Save me  
Save me
