

Spit

Kittie

COWARD!!

spit i think i'll spit

For all those girls, who speak contradiction

The guy who crept through the shadows everyday

to clutch his own conclusion

Watch all the blood, as it drips from your veins you coward God
speed,

may your death come quickly

i think i'll take this hate and , SPIT, SPIT, SPIT

Now as it's passed onto the next one I feel a bloodrush come right over me

You know you will never be right in the eyes of the ones who know

You trusted the devil and she will betray you

Low

Why do i get shit all the time from you men

You are swine

You think dick is the answer

But its not (2x)
