

All For The Love Of Sunshine

Kitty Wells

The darkness of my world was all cleared away
The flowers are blooming it's a beautiful day
There's a man with a heart as big as the sky
He's sunshine and I know why.

All for the love of sunshine
All for the love of sunshine
The Lord smiled down on this life of mine
And sent me the love of sunshine.

Sunshine can always make my days seem bright
Sunshine can warm up a cold, cold night
And all my sunshine was sent from above
An angel that's filled with love.

All for the love of sunshine
All for the love of sunshine
The Lord smiled down on this life of mine
And sent me the love of sunshine.

The winter, the springtime, the summer and fall
The moonlight, the starlight, he outshines them all
In a world filled with fear, with pain and such harm
My sunshine can't be so warm.

All for the love of sunshine
All for the love of sunshine
The Lord smiled down on this life of mine
And sent me the love of sunshine.

All for the love of sunshine
All for the love of sunshine
The Lord smiled down on this life of mine
And sent me the love of sunshine...
