All For The Love Of Sunshine

Kitty Wells

The darkness of my world was all cleared away The flowers are blooming it's a beautiful day There's a man with a heart as big as the sky He's sunshine and I know why.

All for the love of sunshine
All for the love of sunshine
The Lord smiled down on this life of mine
And sent me the love of sunshine.

Sunshine can always make my days seem bright Sunshine can warm up a cold, cold night And all my sunshine was sent from above An angel that's filled with love.

All for the love of sunshine
All for the love of sunshine
The Lord smiled down on this life of mine
And sent me the love of sunshine.

The winter, the springtime, the summer and fall The moonlight, the starlight, he outshines them all In a world filled with fear, with pain and such harm My sunshine can't be so warm.

All for the love of sunshine
All for the love of sunshine
The Lord smiled down on this life of mine
And sent me the love of sunshine.

All for the love of sunshine
All for the love of sunshine
The Lord smiled down on this life of mine
And sent me the love of sunshine...
