

## Amigo's Guitar

Kitty Wells

Tonight they're singing in the villa  
Tomorrow you'll be gone so far  
Hold me close and say you love me  
While amigo plays his blue guitar

Ay ay, ay ay the moon is lonely  
Tomorrow I'll wonder where you are  
Manana morning my darling  
I'll be blue as amigo's guitar

They've hushed the singing in the villa  
All is quiet beneath the stars  
Amigo plays Hasta Luego  
Upon his lonely blue guitar

Ay ay, ay ay the moon is lonely  
Tomorrow I'll wonder where you are  
Manana morning my darling  
I'll be blue as amigo's guitar
