

Burning A Hole In My Mind

Kitty Wells

Though it happened long ago the hurt just won't let go
And it's burning a hole in my mind
I see her and I see you and the things we used to do
And it's burning a hole in my mind
I said I'd forget and I tried but my heart tells my tongue that
it lied
Though I've tried to forgive every moment I live is a torture t
he devil designed
In my mind's eye I see how you made a fool of me and it's burni
ng a hole in my mind
(Though it happened long ago the hurt just won't let go
Is a torture the devil designed)
In my mind's eye I see how you made a fool of me
And it's burning a hole in my mind it's burning a hole in my mi
