

## Burning Memories

Kitty Wells

Tonight I'm burning old love letters photographs and memories o  
f you

Hoping somehow I'll feel better and when the smoke is gone I wo  
n't want you

Burning memories teardrops fall while I am

Burning memories burning all the memories you that I can't lose

My heart to you no longer matters and I can't live alone with m  
emories

Into the fire those dreams you've shattered

And when the smoke is gone then I'll be free

Burning memories...
