

## Candy Kisses

Kitty Wells

Candy kisses, wrapped in paper  
Mean more to you, than any of mine  
Candy kisses, wrapped in paper  
You'd rather have them, any old time

You don't mean it  
When you whisper those, sweet-love words in my ear  
Candy kisses wrapped in paper  
Mean more to you, than mine do, dear

I build a castle out of dreams, dear  
I thought that you were building one too  
Now, my castles, all have fallen  
And I am left alone and blue

Once my heart was filled with gladness  
Now, there's sadness, only tears  
Candy kisses wrapped in paper  
Mean more to you, than mine do, dear
