

# Country Girl

Kitty Wells

New York is a long way from Texas  
Vegas is a long way from Abilene  
I spend lots of my time flying out to LA  
If you've never been there you don't know how lonesome big towns can be  
Oh what I'd give to be a country girl again to be with my people my man and my kids  
To live in a house about a mile down the road from mama  
Oh Lord what I'd give to be a country girl again

To go walking down a country road at sunset  
And see colors you can almost touch right over head  
To hear the gentle breeze of peace blowing at the treetops  
No out in the country there is no talk that God is dead  
Oh what I'd give to be...  
Oh what I'd give to be a country girl again
