

Dear Heart

Kitty Wells

Dear heart wish, you were here to warm this night
My dear heart it seems like a year since you went out of my sight

A single room a table for one it's a lonesome town alright

But soon I'll kiss you hello at our front door
And dear heart I hope to know I'll leave your arms never more

But soon I'll kiss you hello at our front door
And dear heart I hope to know I'll leave your arms never more
