

Don't Forget To Say I Love You

Kitty Wells

You ask me for I stopped caring
You wonder where we went wrong
So I'm giving you a suggestion or two
For the next time love comes along.

Don't forget to say I love you
For she may not know that you do
And it wouldn't hurt to tell her
Now and then she's pretty too.

Buy her flower on her birthday
Let her know you need her still
Don't forget to say I love you
Or she'll come to someone who will.

Don't forget to say I love you
For she may not know that you do
And it wouldn't hurt to tell her
Now and then she's pretty too.

Don't forget to say I love you
Or she'll find someone who will...
