

Gloryland March

Kitty Wells

(Glory hallujah we are marching on as we sing this song and it won't be long
The man of Galilee will set us everyone free so get in the gloryland march)

There is an army that is marching onto victory the Captain is a man from Galilee
They've all been saved and their souls set free by the blood of the man on calvary
So won't you join in his army and be saved today get on your knees and pray
Have please the wrong to right and join in the fight and get in the gloryland march
(Glory hallujah we are marching...
Blessed is the army that will follow God fighting for the kingdom as we onward trod
Waiting for the morning when we leave the sod
Do live and be forever in the presence of God
He will give us power over mend our sins we'll shout and enter in
You'll hear the victory ring we'll find a Saviour King so get in the gloryland march
Glory hallujah we are marching...
Get in the gloryland march
