

# Guilty

Kitty Wells

I've been accused convicted and condemned  
The trial's over and now I face the end  
Is this your way of telling me we're through  
When all I'm guilty of is loving you

You were the judge, the jury, all in one  
You found me guilty and now my terms begun  
I must confess, I've never been untrue  
And all I'm guilty of is loving you

Loving you and now I'm losing you  
Losing you for things I didn't do  
Please let your heart consider and appeal  
For now you know exactly how I feel

Don't punish me for things I didn't do  
When all I'm guilty of is loving you  
Yes, all I'm guilty of is loving you
