

I Can't Tell My Heart That

Kitty Wells

I can't tell my heart that I can't tell my heart, that you
are no good, I'd givr this world, if only I could, you
cheated and lied, and you left me flat, I know it's true,
but I can't tell my heart that.

Oh mx foolish heart, why won't you believe, that some one
is gone, it's no use to grieve, still pining for some one,
who will never come back, I know it's true, but I can't
tell my heart that.

I can't tell my heart, that you are no good, I'd give this
world, if only I could, you cheated and lied, and you left
me flat, yes it's true, but I can't tell my heart that.

My heart still cries out, it wasn't long ago, that we were
together, you said you loved me so, somewhere out there, it
don't matter where at, to you I'm forgottenm but I can't
tell my heart that.

I can't tell my heart, that you are no good, I'd give this
world, if only I could, you cheated and lied, and you left
me flat, yes it's true, but I can't tell my heart that.
