

I Can't Tell My Heart That

Kitty Wells

I can't tell my heart that I can't tell my heart, that you are no good, I'd give this world, if only I could, you cheated and lied, and you left me flat, I know it's true, but I can't tell my heart that.

Oh my foolish heart, why won't you believe, that someone is gone, it's no use to grieve, still pining for someone, who will never come back, I know it's true, but I can't tell my heart that.

I can't tell my heart, that you are no good, I'd give this world, if only I could, you cheated and lied, and you left me flat, yes it's true, but I can't tell my heart that.

My heart still cries out, it wasn't long ago, that we were together, you said you loved me so, somewhere out there, it doesn't matter where at, to you I'm forgotten but I can't tell my heart that.

I can't tell my heart, that you are no good, I'd give this world, if only I could, you cheated and lied, and you left me flat, yes it's true, but I can't tell my heart that.
