

I'll Get Over You

Kitty Wells

One thing 'bout this heart of mine
All my hurt's gonna mend in time
It don't leave no scars behind
I'll get over you.

I'll find me a guy one day
Who's not scared to give his heart away
When I do it's safe to say
That I'll get over you.

I'll get over you
I'll get through, and when I do
I'll be good as new
When I get over you.

From now on think I'll lay low
I talked fast, but I'll move slow
You taught me all I need to know
'Bout gettin' over you.

Sometimes I think I love you still
Wonder if I always will
But I know it's just until
I get over you.

I'll get over you
I'll get through, and when I do
I'll be good as new
When I get over you.

Sometimes I think I love you still
Wonder if I always will
Love for you's so hard to kill
But I'll get over you.

I'll get over you
I'll get through, and when I do
I'll be good as new
When I get over you
