

I'll Never Find Another You

Kitty Wells

There's a new world somewhere they call the Promised Land
And I'll be there someday if you will hold my hand
I still need you there beside me no matter what I do
For I know I'll never find another you

There is always someone to reach across they say
And you'll be my someone forever and the day
I could search the whole world over until my life is through
But I know I'll never find another you

It's a long long journey so stay by my side
When I'll walk through the storm you'll be my guide be my guide
If they gave me a fortune my pleasure would be small
I could lose it all tomorrow and never mind at all

But if I should lose your love dear I don't know what I'd do
For I know I'll never find another you

But if I should lose your love dear...
