

Less Than A Lady

Kitty Wells

You love me like I'd never known a love beforen you took me in
to your very own
With protection and tenderness behind your door
Then all at once your need for me was gone
And there's nothing in this world to compare with loneliness
It's given me into a state of mind
That makes me feel something less than a lady and oh Lord I don
't wanna be that kind

Until you I'd never known real desire now my hungry heart grows
hungrier with time
And somebody else's tender touch might start a fire
That could make a lady step across the line
And there's nothing in this world...
