

Oh So Many Years

Kitty Wells

All these many years I've loved you
No one has ever known
No one has ever known but you a lone
I've kept it locked inside my heart
And smile through all my tears

My darling I have loved you oh so many years
Each night within my lonely room
I'll cry dear over you
And pray to God our plans will turn out right
But when the dawn of day appears
I'll brush away my tears

My darling I have loved you oh so many years
I'll go on pretending that my life is oh so gay
And happy dear without you by my side
When all the time my heart is longing just to have you near
My darling I have loved you oh so many years
Maybe fate will lead us down a path
Where we will meet again

And then we'll both be free to love a new
Then one sweet kiss from your dear lips
Will vanish all my fears
My darling I have loved you oh so many years
