

Sinner Kneel Down And Pray

Kitty Wells

If from the past you have gone astray
And at times you cannot see the way
Can't you hear the Lord? He's calling you today
Oh, sinner kneel down and pray

Oh, sinner just kneel and pray
The Lord will hear your prayer today
Oh, sinner kneel down and pray
Pray to the Lord, your soul will be saved

You may not have a friend in our wicked world of sin
If you turn to Jesus he'll take you in
Won't you listen to me? Just listen when I say
Oh, sinner kneel down and pray

Oh, sinner just kneel and pray
The Lord will hear your prayer today
Oh, sinner kneel down and pray
Pray to the Lord, your soul will be saved
