Standing Room Only

Kitty Wells

In your heart there's just standing room only you had so many l overs before

But please pity your life that's been lonely and let me come in your heart's door

In your heart there's just standing room only but you know laug h is deeper than cry

If I can't be your one and only I'd be happy just to stand ther e in style

With you now I plead oh so lonely don't lock me outside with no key

In your heart there's just standing room only but I beg you mak e room for me

In your heart there's just standing room only...
