

This Old Heart

Kitty Wells

Now this old heart has been around it's been up and it's been down
It's been walked on till it's had shot but it's still the only heart that I've got
Now you're the last one to come along so treat it right don't do it wrong
And if you love me love me a lot for it's still the only heart that I've got
Now it's no joy and it's no tears it's no happiness and it's no fear
It holds memories and there are lot but it's still the only heart that I've got
Now you're the last one...
