

Too Many Rivers

Kitty Wells

I wish I could come back to you, dear
I know that you want me to
But too much waters run
Under that old bridge

There's too many rivers between me and you
There's too many rivers to cross, dear
And too many dreams have been lost
And there's too many long nights
I've turned and I've tossed
There's too many rivers to cross

Don't think for a moment, I blame only you
We both killed the fruit on the vine
When you try to put love back together
There's always a few little pieces you can't find

There's too many rivers between me and you
There's too many rivers to cross, dear
And too many dreams have been lost
And there's too many long nights
I've turned and I've tossed
There's too many rivers to cross
