

## Cry Baby

Kix

Cry - cry - cry - cry

Cry baby  
Put a teardrop in my coffee  
Cry baby  
With a tear you know you're mine  
Whenever you walk you get  
Well you're getting my shoulder wet  
You use tears like a flower uses bees  
But that's all right  
You started to cry about a quarter to four  
Layin' a puddle on the hard wood floor  
Ran like a... through the bedroom door

Cry baby  
Cry baby  
Ball baby ball  
Cry baby  
Cry baby  
Ya cry cry cry

High water  
Cause your eyes are like a fountain  
Man over  
I can't swim I'm gonna drown  
You're turning the faucet on  
Like an angel on the...  
I'm going down down down  
In an ocean of tears  
Bring me along  
But I don't regret  
You bring me down  
I wanna stay wet  
...

Cry cry cry  
Cry baby  
Cry cry cry  
But that's all right  
Cry cry cry baby  
Cry cry cry baby  
Cry cry cry baby
