

## Don't Close Your Eyes

Kix

Whatcha doing out in the night time?  
Why'd ya call me on the phone?  
Your mama can't solve your problems  
When's daddy, ever get home?

So you did your little move and cried  
In the middle of a suicide

Don't close your eyes  
Don't close your eyes  
Don't sing your last lullaby

There's no one there to hold you  
No one hears your scream  
You live life up and down now  
Your nightmares are your dreams

I know it's lonely when your hanging 'round  
Don't ya take it lying down, no, no

Hold on, hold on tight  
I'll make everything all right  
Wake up don't go to sleep  
I'll pray the Lord your soul to keep

Don't close your eyes  
Don't close your eyes  
Don't sing your last lullaby

Don't close your eyes  
Don't close your eyes  
Don't sing your last lullaby
