

Adventures Of Tweezyman

KJ-52

Its the tweezyman
they call me tweezyman
Its the tweezyman
they call me tweezyman (get get down)

Oh no here we go again
I was rolling when he was going in
he was like Oh man yeah I know you're here let me go to the door and get my
older friend
held it in with a grin is what I went and did
when he came back fast w/ another kid
I had to laugh when he asked as I shook my head
He was like aint you the dude from rob and big
hold it kid man I think you're blind
you got me confused w/ another guy
I went and looked at the dude when I said I rhymed
and he was like yo... Kevin federline! Whats up?
ya need to check ya eyes
step back get the fact then you'll recognize
cause I'm back to attack what you expect to find
it's the new and improved kj supersized

Take it back to the 1980's
when my hair was black and wavy
way back when I was acting crazy
I was mad gotta attract the ladies
these girls about to break me
you wanna know how they'd play me?
I was hoping for Patrick Swayze
but instead I got Kevin spacey
oh baby whoop dee whoo
nowadays when I straight come through
all I hear is how old are you
all my friends say 42
42 are you crazy mad
ya crazy rude where's ya brain just at?
I'm 34 in case ya asked
you're old enough to be my dad

Whos the man a w/ a grasp of grammar
who writes songs on a pack of pampers
the only rapper loved by yo grandma
haircut like adam sandler
no matter how you gone see me
what I wrote is the hope that you see he
whether cd live or 3d
just Jesus put him on a repeat
don't believe me I keep rehashing
this junk just keeps on happening
you can just keep keep on bashing
while the world just keeps on laughing
but I'm a just keep on rapping
till the hammer pants back in fashion
while the crowd just keeps on packing
its just Jesus the focused passion
