

# I Can Call On You

KJ-52

"My Father, who art in Heaven,  
hallowed be thy name,  
thy kingdom come,  
thy will be done,  
on earth as it is in heaven"

I can, I can call on you,  
I know that you hear me  
I can, I can call on you,  
I know that you'll answer

You didnt know what to do  
came home from after school  
mom and dad said they were through  
now pretty soon hes gonna have to move  
shut the door went inside his room  
lay on the floor and he cried to you  
"said jesus please help me though"  
right now I just feel so confused  
Dont know what im supposed to do  
but I need to be close to you  
help me what im going through cuz I know that your hear when I call on you  
everythings just falling through  
but aint nothin' to hard for you  
so please come when I call to you  
cuz all that I have is all in you and thats why...

I can, I can call on you,  
I know that you hear me  
I can, I can call on you,  
I know that you'll answer

She didnt know what to say  
she got the phone call and it was late  
it was a hit and run just on the freeway  
and her son got hurt and was in bad  
shape  
tears ran down her face  
as the mom began to race  
didnt know what to do what move to make so she called out to you and she beg  
an to pray  
"Jesus, she began to say  
I need you in a major way  
my son my die today  
im so confused please provide a way  
please now just give me strength  
please now just help me face  
everything that a..bout to come my way  
in you I trust I put my faith thats why..." (Thats Why)

I can, I can call on you,  
I know that you hear me  
I can, I can call on you,  
I know that you'll answer  
(2x)

So what I want to say tonight  
anything thats faced in life  
when your mind is filled with strife  
you can always find your strength in Christ  
Even times when the money is tight  
Even times when nothin' is right  
dont worry 'bout nothin' in life  
call on him thats my advice thats why, thats why, thats why...
