Sick Of All Lies Sick Of The Compromise  
Sick Of The Way We Live Our Lives And Run And Hide

Stand Up! My People In The Place Where You At?  
Stand Up! God's People Who Aint Ashamed Where You At?  
Stand Up! If You Say You Know His Name Where You At?  
Stand Up! Cause You Gotta Proclaim What You Have  
Rise Up! No More Hiding No Time For Crying  
You Can't Be The Light Of The World When You Aint Shining  
I'm Straight Rhyming So You'll Be Straight Recognizing  
You Aint Trying You Just Sitting There Staight Whining  
While The Whole World Around You Just Straight Dying  
So Keep In Mind Jesus Lion Of Zion  
Gave His Life So You And I Wouldn't Be Trying So Quit Hiding It  
's Time For You To Start Rising
