## **Calling Occupants Of Interplanetary Craft**

Klaatu

```
In your mind you have abilities you know
To telepath messages through the vast unknown
Please close your eyes and concentrate
With every thought you think
Upon the recitation we're about to sing
Calling occupants of interplanetary craft
Calling occupants of interplanetary, most extraordinary craft
Calling occupants of interplanetary craft
Calling occupants of interplanetary craft
Calling occupants of interplanetary, most extraordinary craft
You've been observing our earth
And we'd like to make a contact with you
We are your friends
Calling occupants of interplanetary craft
Calling occupants and interplanetary ultra-emissaries
We've been observing your earth
And one night we'll make a contact with you
We are your friends
Calling occupants of interplanetary craft
Calling occupants of interplanetary, quite extraordinary craft
Please come in peace we beseech you
Only a landing will teach them
Our earth may never survive
So do come we beg you
Please interstellar policemen
Won't you give us a sign
Give us a sign that we've reached you
With your mind you have ability to form
And transmit thought energy far beyond the norm
You close your eyes
You concentrate
Together that's the way
To send the message
We declare World Contact Day
Calling occupants of interplanetary craft
Calling occupants of interplanetary craft
Calling occupants of interplanetary, most extraordinary craft
Ahhh
Calling occupants
Calling occupants
Calling occupants
Calling occupants
Calling occupants of interplanetary, most extraordinary craft
