

I Don't Wanna Go Home

Klaatu

I see the hour's getting kinda late
I know you've got to get to work by eight
Yes I know
But I don't wanna go home

I wish you'd ask me to spend the night
It may be wrong and it may be right
I don't know
But I don't wanna go home

'Cause when I'm with you the time just goes by so fast
Each time I kiss you I pray it won't be the last

So if you ask me to go I will
But I don't wanna go home
Yes if you ask me you know I will
But I don't wanna go home
I wanna hold you close to me

You wouldn't ask me to spend the night
You may be wrong or you may be right
I don't know
But I don't wanna go home

The day I found you I thought my ship had arrived
'Cause when I'm around you you make me feel so alive

So if you ask me to go I will
But I don't wanna go home
Yes if you ask me you know I will
But I don't wanna go home
I wanna hold you close to me
