

# Set The World On Fire

Klaatu

Well the other night my automobile broke down on the road  
I had to walk a mile before I found a telephone  
I said, "Hello Operator, your phone just ate my dime."  
A tape machine said, "Sorry, sir" and then hung up the line

Do you ever wanna shout  
I'm not gonna take it anymore, yeah  
But you never let it out  
You're too busy crawling back for more

Gonna set the world on fire  
Gonna stand and watch it burn  
Gonna get my heart's desire  
And I don't care who gets hurt  
(Gonna set the world on) Fire

On Friday afternoon I went to get my paycheck cashed  
I needed money badly with the weekend coming fast  
I lined up for an hour but when my turn arose  
The teller said, "I'm sorry, sir, this wicket's just been closed."

Do you ever wanna shout  
I'm not gonna take it anymore, yeah  
But you never let it out  
You're too busy crawling back for more

Gonna set the world on fire  
Gonna stand and watch it burn  
Gonna get my heart's desire  
And I don't care who gets hurt  
(Gonna set the world on) Fire

Don't you ever wanna shout  
I'm not gonna take it anymore, yeah  
Go ahead and let it out  
I'm fed up with crawling on the floor

So you've had one of those nights (one of those nights)  
When you can't do nothin' right (nothin' right)  
And your luck's been running bad (running bad)  
And it makes you kinda mad (kind of mad)  
When everybody say  
Don't let your frustrations get the best of you  
Use a little patience and they'll melt like morning dew

Gonna set the world on fire  
Gonna stand and watch it burn  
Gonna get my heart's desire  
And I don't care who gets hurt  
(Gonna set the world on) Fire
