

# The Politzanian National Anthem

Klaatu

Politzania, brave strong and true  
Politzania, we all love you  
We'll smite our foes for we are right  
And God is on our side

Politzania, red, white and green  
Politzania, reigning supreme  
Victors in war  
Champions of peace  
Unto eternity

(Everybody now)

La  
La la la la la la la la la la la la  
La la la la  
La la la la la la  
We're the masters of the world
