

Children of the Sun

Klaxons

here we are
here we are
here we are calling

we're the children of the sun
we're the children of the sun
we're the children of the sun
and we're awakening
we're awakening
we're awakening
as one

higher
burning through the skies a thing of fire
connected with our minds and called us
higher
crawled across the skies and called our name
crawled across the skies and called our name

we are the children of the sun
we came to be and to become
we are the children on course to where we're from
we are the children of the sun
we came to be and to become
we are the children of the sun
awakening as one

here we are
here we are
here we are rising
