

Brainwashed

KMFDM

You have been trained to obey
Unquestioningly
To only speak when asked
Not see the forest for the trees

You think you've got rights
Without responsibilities
You are remote controlled
Being told that you're free

You have been trained to keep quiet
To lay low and hold still
Not shit where you sleep
You really know the drill

And you're fuckin' brainwashed
A dull blade easy to please
And now you're fuckin' brainwashed
You've lost your faculties
And now you're fuckin' brainwashed
Sold out betrayed
And now you're fuckin' brainwashed
A naïve declawed castrate

You are a father of nothing
Neither strive nor aspire
Your existence means a damn
You're cannon fodder for the fire

Got all kinds of opinions
None of them you own
Engrafted instilled
You're a pathetic clone

And now you're fuckin' brainwashed!
