Below the belt - above the law
Right the muzzle - left the claw
Within - without
Get in - way out
Inbetween throughout
Ever true - never doubt

Far & beyond we rise above
I against I
Come on - go off

Land under foot - fly over head Solve a puzzle - pose a threat Within - without Get in - way out Inbetween throughout After is before - less is more

Get in - get out
Rise up - fall down
Now or never
Now - forever
It's a fuckin' takeover
Shit or get off the pot
Whatever you stand for
We do not

Wtf?! Hi-dee-hi Hi-dee-ho Come on - go off Here we go
