

Cuntboy

KMFDM

One leaker
One peeker
One sinner
My winner

Baby Baby be mine
Oh yeah

Don't bruise it
Just use it
One death, one life
One flick, one knife

Baby Baby be mine
You can be my mind

One little life now
You can be my former
I'll be your last
I'll be your cunt boy

You can kiss my ass
You can kiss my ass

Yeah

You'll be my eat
I'll be your pimp
I'll be your drink
Don't even think

Just drink
But don't even think
But don't even think
Don't even think
Don't even think
I said do not think

Oh yeah

I'm gonna slap the ham
I'm gonna fuck that lamb
I'm gonna mess each baby
Until it's damned

Oh yeah

I'm gonna kiss the moonlight
Cause every dollar
I'm gonna buy a kid

Baby Baby be mine
Baby Baby be mine
You can be mi-mine
Yeah

Don't even think

Don't even think

I'm gonna take a risk
I'm gonna take a line
I'm gonna do it again
Take it from behind

Baby baby be mine
You can be mi-mine
Baby baby be mine
Yeah

I'll be your pimp
Yeah
