

D.I.Y.

KMFDM

A new revolution
The ultimate war
KMFDM is back for more
Twice in mayhem
Triple the force
Ten times the action
Total hardcore

Shanghai-Stockholm-Berlin-Tel Aviv
The world rotates to the Ultra-Heavy Beat
From the gutter to the top
KMFDM will never stop

Violence, anger and anarchy
A megaton load of toxic debris
Money, power, all you can eat
The manifestation of ultimate greed

Tokyo-Moscow-Chicago-Madrid
The world rotates to the Ultra-Heavy beat

Rip the system, throw it away

No legislation can stand in our way
Anti, Anti in the USA
Ends with a M
Begins with a K

D.I.Y. Destroy what destroys you
D.I.Y. Do or die

Destroy....
