

Get the Tongue Wet

KMFDM

Get the get the get the tongue wet
Step to the beat
You want to be what you want
Want to know what it means to be alive

Want to go fast
Bitte into life
Know how it feels
Walking along the edge of a knife

Stand by your brand and your brand will stand by you

Charm sleaze - take it all!

Not the quiet type
Why should I be
I'm majestic and wild
Go to extremes
A fuckin' queen

Surrounded by vice
Ultimate speed
Roll the dice
Live by the code
A warrior's creed

Step to the beat

Want to know what it means to be alive!
