

Mysterious Ways

KMFDM

Ha, ha, ha, ha!
Even better than the real thing!

Johnny, take a walk with your sister the moon
Let her pale light in to fill up your room
You've been living underground
Eating from a can
You've been running away
From what you don't understand

She's slippery
You're sliding down
She'll be there when you hit the ground

It's all right, it's all right, it's all right
She moves in mysterious ways
It's all right, it's all right, it's all right
She moves in mysterious ways

Johnny, take a dive with your sister in the rain
Let her talk about the things you can't explain
To touch is to heal
To hurt is to steal
If you want to kiss the sky
Better learn how to kneel
(On your knees, boy)

She's the wave
She turns the tide
She sees the man inside the child

It's all right, it's all right, it's all right
She moves in mysterious ways
It's all right, it's all right, it's all right
She moves in mysterious ways
It's all right, it's all right, it's all right
Lift my days, light up my nights

One day you will look back
And you'll see where
You were held, how
By this love while
You could stand there
You could move on this moment
Follow this feeling

It's all right, it's all right, it's all right
She moves in mysterious ways
It's all right, it's all right, it's all right
She moves in mysterious ways
It's all right, it's all right, it's all right

We move through miracle days
Spirit moves in mysterious ways
She moves with it
She moves with it
Lift my days, light up my nights
