

No Peace

KMFDM

Without rhyme without reason
Everyday a public treason
No Peace for the people
And a handfull of fools
How much longer will ignorance rule

We're getting off
We're getting off
You have to know that we have enough

So face it, the place is a mess
No, no good for you act like you should
We, we're doomed right from the start
No, no doubt for the choices to hold

We're getting off
We're getting off
You have to know that we have enough

Now it's your turn to fight
Armed and ready, famous and rich
Now it's your turn to fight
Time has come to flip the switch
Now it's your turn to fight
So what do you know, and how does it feel
Now it's your turn to fight
No peace without justice and that's for real

We deserve a much better life
Control a harmless obsession
We, we're big and never bad
You, your days are not [?]

We're getting off
We're getting off
You have to know that we have enough

Now it's your turn to fight
Armed and ready, famous and rich
Now it's your turn to fight
Time has come to flip the switch
Now it's your turn to fight
So what do you know, and how does it feel
Now it's your turn to fight
No peace without justice and that's for real

Now it's your turn to fight
Your turn to fight
Now it's your turn to fight
Now it's your turn to fight
Now it's your turn to fight
Now it's your turn to fight
Now it's your turn to fight
No peace without justice and that's for real

No peace without justice and that's for real
