

# Revolution

KMFDM

In Fear Of My Life  
I Went Suddenly Crazy  
Surrounded By Beasts  
In A World Of Disease

I'm In Fear I'm In Anger  
I'm In A Desperate State  
I Will Be Careful Now  
And I Will Make No Mistake

If There's A Hard Way  
It's Gotta Be Mine  
But I Learned My Lesson  
And I'm Gonna Be Fine

What's Gonna Happen  
I Need To Know  
I Don't Want To Suffer  
Is It Yes Or Is It No

It's The End Of This World  
Something's Gone Wrong  
Give Me One Last Kiss  
Revolution Has Begun

It's The End Of This World  
Something Must End  
Time Is Right For A Change  
It Is All In Our Hands
