

## Shake the Cage

KMFDM

I got the world where I want it  
All eyes on me  
International threat to security  
Prism of secrets  
A house of cards  
Igniting the furor all over the world

Suckerpunch power  
Shake the cage  
Summon up the power  
Shake the cage  
Suckerpunch power

The ultimate weapon  
One against all  
I'm a fugitive  
Down by law  
Persona non-grata  
Bête noir  
Sheremetyevo superstar  
Menace!

Those who sacrifice liberty for security  
Deserve neither and will lose both
