

Shake the Cage

KMFDM

I got the world where I want it
All eyes on me
International threat to security
Prism of secrets
A house of cards
Igniting the furor all over the world

Suckerpunch power
Shake the cage
Summon up the power
Shake the cage
Suckerpunch power

The ultimate weapon
One against all
I'm a fugitive
Down by law
Persona non-grata
Bête noir
Sheremetyevo superstar
Menace!

Those who sacrifice liberty for security
Deserve neither and will lose both
