

Spiritual House

KMFDM

Re-shape your body against the brain
In a spiritual house tune in today
Dance after dark
In a spiritual house
Death by sweetheart
In a spiritual house

We only have a silent voice
In a spiritual house
Emotions and no reasons
In a spiritual house

Are you gonna hate your brother?

Much like we're the bunny rabbits
Much like we're bunny rabbits
In a spiritual house

Beyond success and failure
Watch your t.v. all night
Watch your t.v. all night
In a spiritual house

The more tears you shed
In a spiritual house
Being boring
Being boring
Spiritual house
In a spiritual house

Are you gonna hate your brother?

Much like we're the bunny rabbits
Much like we're the bunny rabbits
In a spiritual house

Are you gonna hate your brother?

Are you gonna hate your brother?

In a spiritual house
Spiritual house
In a spiritual house

Much like we're the rabbits
Much like we're the rabbits
In a spiritual house
